

## **KENYA WATER TOWERS AGENCY** Coordinated Environmental Protection

# **LOGO DESIGN COMPETITION WINNERS**

Kenya Water Towers Agency as part of seamless mandate implementation and corporate branding had earlier announced a competition that was open to the public wherein participants were asked to design a logo for the Agency.

An appointed panel of judges reviewed all the entries based on mandate interpretation, appropriate colour application, creativity, clarity as well as adherence to the guidelines and rules of engagement for the competition.

Upon successful evaluation, the panel made a decision on the first three logos that have satisfied the provided criteria. The Agency may adopt or modify any of the logos as stated in the advertisement. Below are the winning logos:

**KENYA WATER TOWERS AGENCY**  
— COORDINATED ENVIRONMENTAL PROTECTION —

One (1)

Two (2)

Three (3)

The entrants will be contacted and notified on the day to collect their prizes.

**The Director General**
